

## BEER

### Edmond's Oast Bound by Time IPA

- 5.20 SC 7.0% ABV

This oat-infused olfactory explosion of a beer bursts at the seams with aromas of freshly cut cantaloupe and naval orange. Made with good old-fashioned hop-bursting techniques and irresponsible dry-hopping technology. Bound by Time is an offering to those looking for something brimming with hop character and as unadulterated as a butterfly's wing.

### Tiny Bomb Pilsner - 4.16

TN 4.5% ABV

The Soft waters of Memphis are almost identical to the soft waters of Pilsen, Czech Republic, where the pilsner beer style originates. Not only do we love this style of beer, our amazing water makes Memphis the best place in the country to make a pilsner.

### Venice Ale House Lager - 3.12

CA 4.8% ABV

Easy drinkability of a domestic beer with the quality of a craft and the flavor of an import. This beer is crisp and refreshing, allowing the flavor of the Czech Saaz Hops to shine through.

### Ommegang Rare Vos - 4.16

NY 6.5% ABV

Our take on the smooth, easy drinking ambers poured in cafés across Belgium, Rare Vos (Strange Fox) takes its name from a tavern near Brussels known for cycling contests, pigeon races and outstanding ales. Pouring a brilliant copper with a creamy white head, this bright, beguiling beer is sensational to session, and pairs wonderfully with mussels, frites and other pub fare.

### Lazy Magnolia Southern Pecan - 4.16

MS 4.5% ABV

This beer is very lightly hopped to allow the malty, caramel, and nutty flavors shine through. The color is dark mahogany.

### Wiseacre Brewing Gotta Get Up To Get Down

Stout - 5.20 TN 5.0% ABV

Magical natural process beans from the Konga region of Ethiopia lead the way in this beautiful coffee stout. This rare variety of coffee leads to aromas of sweet roastiness and flavors of blueberry pie. Lactose, or milk sugar, is added along with oats for a silky medium body and a lush finish. Red Bull and vodka done the long way for old men, not teenagers.

### Potter's Cider "Rotating" Seasonal - 5.20

VA Varies% ABV

All of our ciders start with local fruit harvested at peak flavor from nearby orchards and family farms. We press heirloom and traditional cider apples, such as Albemarle Pippin and Virginia Winesap, as well as modern cider apples like the Gold Rush to create a cider that would make our forebearers proud. After the apples are pressed, we carefully ferment the fresh juice at cold temperatures, allowing each apple variety the opportunity to fully showcase its unique flavor and aroma.

### Hard Seltzer - Rotating craft selection - 5.20
